## The Eiteljorg Museum

The Eiteljorg Museum is where some members and staff went as a social recreation activity. Nathan, Jolly, Daniel, Tan, and Jenny went with Peter.

It is a museum where we hold in memory the Native tribes in Indiana, their religious beliefs as well as each tribes own individual lifestyles, customs and traditions. Jolly commented on most of the stuff that he saw such as Tipis and said that it was traditional.

Everyone said they had a good time at the museum and enjoyed what they did their as well as going out to eat afterwards. Thank you Peter for the great experience outside of clubhouse and everyone who attended.

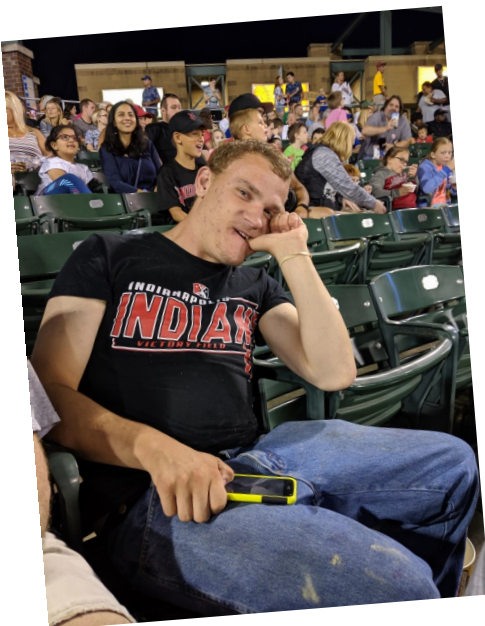

## Indians Game

Daniel: It was kind of scary. The batter hit the ball and it nearly hit us. It was okay though. I think they should put up nets to protect the fans. The Indians won the game I think.

Evan, John, David S., Nathan, We first went out to Eat at Wendy's before the baseball game and then it was off to the ball park to see the Louisville Bats

vs Indianapolis Indians. We had great seats on the first base side out in right field 7 Row from the field. The Indians beat the Bats 5 to 2, They saved the best for last! They had a fireworks show, and it went on for 20 minutes and then it was time to go home, I got home at 11:45 pm.
